

Metal Morphosis Jewellery

We offer one of the largest selections of body and ear jewellery.

Classic Jewellery in Stainless steel, Titanium, Niobium and Acrylic.

Just Ears - we have a large range of ear studs to choose from, to be pierced with or for a change. Come in and have a look at our range.

Navels - we have a huge range of navel jewellery, updated regularly.

Precious Jewellery made from 9 - 18 ct yellow and white gold set with diamonds and other precious stones.

Luxury Jewellery made from Platinum and Palladium set with diamonds and other precious stones.

Bespoke Jewellery we can also make you your own custom piece of jewellery in a range of metals and stones.

Why not have a one off piece jewellery made for that special occasion or gift. Come in to discuss your requirements.

We offer FREE piercing and aftercare on all suitable precious and luxury jewellery.

Ask in store for details.

Some initial piercings may be fitted with rings, please consult your piercer.
